

Terms and conditions

Terms and conditions of the 20% discount in the Discovery Optometry network:

- Members of Discovery Health Medical Scheme and selected schemes administered by Discovery Health qualify for 20% off all frames, eyeglass lenses and add-on components (for example lens tints or coatings) at point of sale at optometrists in the Discovery Health Optometry Network.
- This discount is not available on KeyCare Plans.
- The discount does not apply to consultation and examination fees or to contact lenses.
- All services up to a maximum of the Discovery Health Rate (The optical tariff less 20% and for frames the sticker price less 20%).
- The 20% discount is applied in addition to any other promotional offer the network optometrist might be running. It is applied at point of sale when you make your purchase.
- All optometry claims are paid according to available benefits and applicable limits on your health plan.
- If your cellphone details are on record, you will get an SMS with the amount you saved and amounts you have to pay. You can update your details on www.discovery.co.za
- Amounts you have to pay will also show on your statement. You can owe these amounts when you don't have cover available or claims have exceeded the optometry limit.
- If you pay cash at the optometrist and submit the claim, the Scheme will refund you based on your available benefits, up to a maximum of the Discovery Health Rate. Please check that you received the 20% discount at point of sale.
